Murray & Buffy- By Kathy Conard

"I lost my first Westie, Sophie, to cancer in September 2012. I said I wouldn't get another because she was irreplaceable. However, I found myself drawn to the MD Westie Rescue page reading all the stories. Before I knew it, I had fallen in love with, not one, but two Westies! They were brother and sister and they became mine the day after Thanksgiving in 2012. I welcomed Frosty and Buffy into my home. I asked the foster mom if she thought it would be ok if I changed Frosty's name & she laughingly said "he doesn't really respond to his name anyway." When I picked them up, he looked like a little old man so I named him Murray. I could not be happier. On our first night, I crated them and they looked at me like "Really?" They followed me across the hall to my room, jumped on my bed and the rest is history. They're lovable, funny, gentle, inseparable and 5 years later we're a happy family of three. I love all the Maryland Westie Rescue stories and hope that when people read our story they'll open their hearts and minds and adopt one or even more of these great pooches. Maryland Westie Rescue does a great job of matching humans and canines."

Love- Kathy, Murray, & Buffy
