OUR QUADRUPLETS!

Meet Gusto, Chestnut, Wren & Sugarplum! These adorable Westie mixes came to us via an owner give up to a shelter. They were all roughly 12 years old & hadn't received much vet care for most of their lives. Their issues were extensive. Skin & ear infections, two were lyme positive, & they all needed major dental work. To date we have spent over \$10,000 in medical care to give these pups a new "leash" on life. Gusto & Sugarplum found their forever homes. Wren is still in foster care with her medical issues still being addressed. Sadly, after doing all we could medically for him, Chestnut passed away shortly after his adoption. Sometimes we get them too late to help rehabilitate them & that is heartbreaking. But for the last part of his life, he finally knew what love & care felt like. Your support & donations make

it possible to give every dog that comes our way the care they deserve! THANK YOU!

This is Marshmallow who came to us via a shelter. He was a neglect case with horrible kennel cough & a tooth abscess that had gone on for so long that it actually started to visibly rot through his precious face. Thanks to your donations & support he is now healthy & healing in his new forever home!
