Wine & Fleas 2013!

Our 2013 Wine & Fleas at Barrel Oak Winery on May 19th was a huge success & we hope those that attended had as much fun as

we did! Thank you, as always, for your support!

MWR is BUSY and we need your help!

Now more than ever, MWR needs your support. In the last 5 months we have taken in a lot of Westies in severe need of treatments that have cost \$3000+ or more PER Westie in some cases. "Beignet" arrived a senior stray who is deaf, has few teeth, infections, bad knees, breathing issues, and a foreign object in his stomach. "Paco" was surrendered by an owner who didn't want to deal with a growth on his gum. Paco is now recovering from surgery which included removing part of his jaw, some teeth, and part of his lip to remove the growth. Dougal was surrendered from an abusive home where he was mostly muzzled, tied up, and hit. He is now in our care at behavior boot camp, learning how to socialize and be a happy boy. Your donations allow us to help these Westies so badly in need of care. Your support ensures we never have to turn any of them away so that every Westie that comes to us is given a chance for a new 'leash' on life!

"Spotlight" Westie!

Peluzo, is a 3 year old female Westie mix who came to us from a New Jersey shelter. She appears to have Pomeranian in her and maybe something else. Peluzo is an affectionate, fun, high energy girl who would do well at agility or with an active family that will engage her. She requires an experienced terrier owner who can set clear limits when necessary. Peluzo is not suitable for a home with children. If you are interested in adopting Peluzo and giving her a forever home, please submit an application via our website: www.marylandwestierescue.com
